Meeting was called to order by Chair Tonya Chapin at 3:40.

Committee members present: Carolyn Quinn-Hensley (Art), Don Carpenter (Business), Susan Longest (Biological Sciences), Lisa Driskell (Computer Science, Mathematics, and Statistics), Tonya Chapin (Health Sciences), Jeremy Hawkins (Kinesiology), Jennifer Hancock (Languages, Literature, and Mass Communication), Scott Kessler (Physical and Environmental Sciences), Jennifer Daniels (Teacher Education), Jill Van Brussel (Theatre), and Michael Carsten (WCCC).

Committee members unable to attend: Monte Atkinson (Music), Erika Jackson (Social and Behavioral Sciences).

Ex-Officio members present: Jeff Grossman (Library), Kurt Haas (Chair, Essential Learning Committee).

Guests: Lori Payne (Computer Science, Mathematics, and Statistics).

I. Announcements

- a. Work-sessions to review program sheets with EL modifications
3/19, LHH 302, 3:00 – 5:00, for the following departments:
Carolyn Quinn-Hensley, Art
Susan Longest, Biology
Don Carpenter, Business
Scott Kessler, Physical and Environmental Sciences
Erika Jackson, Social and Behavioral Sciences
Jill Van Brussel, Theatre
Jennifer Daniels, Teacher Education

Chair Chapin reminded the committee about the work session next week. In addition to the above departments, WCCC department heads will also be invited to attend the work session.

It was clarified that most AAS programs will not have extensive changes related to the Essential Learning modifications, but that an EL modification form should still be submitted. None of the options on the form apply to most AAS, so it should be filled out as “not applicable.”

II. New Business

III. Old Business

IV. Curriculum Proposals

a. Computer Science, Mathematics, and Statistics

- i. Course Additions
 1. CSCI 420 Cyber Security

Motion: to approve (Driskell/Carpenter); motion carried.

Payne briefly explained the need for the course addition.
