Members Absent:

Ex-officio members present: Morgan Bridge, Aaron Osborne, Maggie Bodyfelt, Janel Davis, Laureen Cantwell.

Guests:

Recording Secretary: Bonnie Aman

Chair Smith called the meeting to order at 3:30pm.

I. New Business

Motion: To create an additional program group and title it Group D, update the program list to reflect the current programs, and regroup programs into four categories. This will keep the committee at six (6) including one elected faculty representative from each group, 1 at large representative, and the vice chair or designee from the Undergraduate Curriculum Committee. The committee is not making changes to the non-voting ex officio members. (Carsten/Quesenberry)

Discussion – The Colorado Community College System has divided Colorado CTE programs into six industry sectors. The WCCC Curriculum Committee is taking those sectors and combining them to make four groupings, which should serve to divide current and future programs into specific sectors.

Group A – Agriculture, Natural Resources & Energy, Hospitality, Human Services & Education

Group B – STEM, Arts, Design & Information Technology, Business, Marketing & Public Administration

Group C – Skilled Trades & Technical Sciences

Group D – Health Science, Criminal Justices & Public Safety

Please refer to the attached grid.

The committee voted unanimously to approve the changes to the groups.

Adjournment:
With no objections from the committee, Chair Smith adjourned the meeting at 4:09 pm.

Respectfully submitted by Bonnie L. Aman, 10/21/19
