15. Please **DO NOT** submit documents that are not specifically requested (i.e. reference letters, immunizations, or any other documents), as they will not be reviewed. **ONLY** submit this application and supporting document listed in this application. We will pull your DegreeWorks, CMU transcripts and transcripts from any prior schools that you've submitted to CMU for transcript evaluation. We will also pull your Kaplan Scores from the CMU Testing Center. If you took the Kaplan at another testing center, it is your responsibility to ask that testing center to send the results to us, directly, by the application deadline.
16. In an effort to help future admitted students meet required deadlines in a timely manner (especially for those admitted to our spring semester cohort), please review the immunization (MMR, varicella, Hep B, Covid, influenza, Tdap) and documentation (TB Skin Test, professional liability insurance, personal health insurance, AHA CPR certification, physical/mental capacity assessment and identification documentation) list which our clinical agencies currently require. You are encouraged to gain official proof of immunizations/vaccinations that you have completed and complete any you are missing, sooner rather than later. You should have a plan to have immunizations/vaccinations and other documents ready to submit, upon admission to the program. You **WILL NOT** submit these items to our department, at this time, you will do so post admissions following instructions and deadline guidance. This is our effort to help you prepare and plan wisely.
*****Your submission of this document via your CMU email address will be considered your electronic signature*****

The following table must be completed in its entirety.

- Indicate the corresponding CMU course (i.e. HIST 101) for general education course requirements from the drop down box in each section.
- Indicate your final grade for the courses completed.
 - In Progress Courses @ CMU:** If you are currently enrolled/in progress in the course, please indicate “**IP**” in the final grade column. Please note: if you are retaking a course, please indicate your previous grade in the Final Grade as well as noting that the course is In Progress in the notes section. (For grade improvement, you must take the course at the same school where you are wanting to have the grade replaced. You may not replace a CMU grade by taking the course somewhere else and having it transferred into CMU, as the CMU grade will stand.)
 - In Progress Courses @ other institutions:** If you are currently enrolled/in progress in a course at another institution, please indicated “**IP**” in the final grade column, then note the Course Number & Name of the Course (i.e. BIOL 216/Pathophysiology) and the school’s name in the notes section. **If you are currently enrolled/in progress in a required course(s) at another institution, please submit a copy of your course registration along with this application.** (It is your responsibility to confirm that the course(s) you are taking at another institution will transfer to CMU as the course you are listing it under. You can confirm this through your institution’s Office of the Registrar or contacting the Transcript Evaluator in the Office of the Registrar at Colorado Mesa University. **Please Note:** The Department of Health Sciences at CMU is not able to confirm this information.)
 - Advanced Placement:** If you have been given course credit at CMU for Advanced Placement, please indicate “**AP**” in the final grade column.
 - International Baccalaureate Program:** If the course requirement listed has been accepted at Colorado Mesa University from the International Baccalaureate Program, please indicate “**IB**” in the final grade column.
 - WAIVED for prior degree:** If you have been given course credit at CMU for completion of a prior degree, first determine if you have any courses that meet the general education requirements (usually listed in the Electives section of DegreeWorks) and utilize the actual grade for those courses as per the above guidelines. **ONLY** if a requirement cannot be filled by courses completed and listed on DegreeWorks, please indicate “**WAIVED**” in the final grade column.
- Please indicate the number of credits awarded for the course.
- Please indicate the semester you took/are taking the course (i.e. F24).
- Please indicate where the course was completed. If an institution is not listed in the drop-down box, choose OTHER, then indicate in the notes section.
 - If a course was transferred, please put the Course Number & Name (i.e. BIOL 216/Pathophysiology) as it is listed at the school you completed the course.

Important Notes:

- ❖ Applicants must submit the application prior to the application deadline via your official CMU email address, ONLY. You are highly encouraged to submit the application far in advance of the listed application deadline (i.e. **Feb. 15th/Sept. 15th before 5:00pm MST**). You should not wait until you've completed your Kaplan Nursing Entrance Exam to submit application, as your application will indicate the date of your Kaplan test(s) and we will pull them accordingly.
- ❖ Applicants must have a minimum **3.0 GPA** from the required Essential Learning, Lower Division and Foundation courses. It is important that you fill out the information above accurately, which will help confirm meeting the GPA minimum requirement.
 - To calculate GPA Points: A=4; B=3; C=2; D=1; F=0. Multiply the grade points with the credit hours. **Example: A(4) x 3 CH course = 12 GPA points.**
 - If you are in progress (**IP**) or you have satisfied the course due to an Advance Placement (**AP**), International Baccalaureate Program (**IB**), Not Applicable (**NA**) or waived due to prior degree (**WAIVED**), put 0 in both the credit hours and GPA points box.
 - Please note if your DegreeWorks has a **WAIVED** course, please review your Electives list to identify required courses completed. If any required courses (i.e. ENGL 111) is listed, you **MUST** use them in your calculation for your overall GPA, instead of relying on the **WAIVED** calculations.
- ❖ Applicants must have a minimum of **56 credit hours** of Essential Learning, Lower Division and Foundation required courses. Elective courses may be needed to meet the 56 credit hour requirement.
- ❖ Applicants must have a minimum of a **67% overall** Kaplan Nursing Entrance Exam. The review committee will use the highest scoring Kaplan in the review of the application.
