The Application for the AAS Nursing Program *must* be submitted as a PDF attachment via email (healthscience@coloradomesa.edu) with the subject line **AAS Nursing Application**.

Applicants must use their official CMU email to submit application materials to healthscience@coloradomesa.edu. Documents received via non-CMU emails will not be processed.

This check-off form is intended to help you meet the AAS Nursing Application requirements. Do not submit this form; it is a tool to help guide you through the AAS Nursing Application process.

The following items must be received in the Department of Health Sciences by **12pm (noon)** on the application deadline (**April 15**)

You are encouraged to turn in your application, and then turn in other items as you complete them.

PLEASE NOTE: Your application file will not be evaluated if it is incomplete by the deadline.

1) Submit the *Application for the AAS Nursing Program*:

- Enter the information into all the fields on the fillable PDF AAS-RN Application Form.
- Submit the Application for the AAS Nursing Program Form via email with the subject line AAS Nursing Application to (healthscience@coloradomesa.edu). Paper submissions will not be accepted.

All applications submitted via the required email submission process will receive an email confirmation of receipt of the Application via the applicant's official CMU email address.

2) *Request Transcripts to be sent to the CMU Registrar*: Your signature on the Application Form will give us permission to request that the CMU Registrar's Office send a current Colorado Mesa University transcript, as well as transcript(s) and/or transcript evaluation for all colleges/universities attended, if applicable, directly to the Department of Health Sciences.

Please make sure you have had all transcripts from every school you have attended sent to the CMU Registrar's office before submitting the application. If any required courses are in-progress at the time of application and you are taking them outside of CMU, you must submit an official transcript to the CMU Registrar as soon as your final grades are posted.
