

## AAS Nursing Information Sessions Offered via Zoom

### Three sessions scheduled in Spring 2024

The AAS Nursing Program is accepting applications this spring for the next cohort of students that will begin their journey into nursing during the Fall 2024 semester. The next application deadline for this program is **April 15, 2024 (applications accepted every other year)**. See [this page](#) for more information about how to apply. We have been getting many questions about the application process and what to expect during the onboarding process if selected as a program candidate.

If you are interested in applying to this program, you are invited to join Vicki Zarlingo, AAS Nursing Program Coordinator, and Jennifer Barton, Professional Staff Assistant for a brief question & answer session. There will be 3 different dates/times to choose from.

Topics covered in each session include: the AAS Nursing application process, how to navigate the nursing website, Kaplan pre-nursing testing, and what to expect from the student onboarding process if selected. You can also bring any general questions to the session; someone else may be seeking that same answer.
