

Program Effectiveness

Examination Rate (RN-NCLEX, AAS-RN program)

Number of graduates taking examination		Number of graduates passing on first attempt	CMU percent passing	National average
2024	18	16	88.89%	90.63%
2022	24	18	75%	77.91%
2020	15	8	53.33%	82.80%

Benchmark: 80% of students will pass NCLEX RN on the first attempt.

Average examination pass rate for CMU across three cohorts (RN-NCLEX for AAS-RN students): = 73.68%

Graduation Job Placement Rate

Number of graduates seeking employment		Percentage of graduates employed within 12 months
2024	13/13*	100%
2022	22/24	91.67%
2020	13/15	86.67%

Benchmark: 90% of graduates will be employed as RNs part-time or full-time within 12 months of graduation.

\*Number of responding graduates

Average percentage of graduates employed within 12 months across three cohorts = 96.15%

Program completion rate for each cohort

Students enrolled in cohort	Graduates from cohort	Percentage of Graduates from cohort
2024	20	90%
2022*	30	80%
2020	16	93.75%

Benchmark: 85% of students who enter the AAS-RN program will complete the program in 4 semesters.

Average percentage of program completion across three cohorts: 86.36%

\*2022 cohort included a one-time enrollment of 10 students from Craig, CO. Six of those students graduated from the program.
