

**Colorado Mesa University**

**Department of Health Sciences**

**Bachelor of Science in Nursing (BSN) Program Application – Eligibility Criteria**

1. Must have a Kaplan Nursing Entrance Exam completed
2. Must have pre-requisite GPA of at least a 3.0
3. Important criteria that the BSN Admissions Committee reviews to determine interview eligibility for applicants include: GPA of the required BSN program pre-requisites, science courses GPA (BIOL 209/209L, BIOL 210/210L, BIOL 241, BIOL 250/250L), and medical certification/work experience (if applicable). For medical certifications/work experience, ***C.N.A., EMT or medical assistant medical certifications ONLY are eligible for extra points during the application process.***<sup>a</sup>
4. Those applicants chosen for an interview are the top candidates among those who have applied for that application period, and have scored the highest in #1, #2 and #3 above.
5. Incomplete applications are not considered; all application materials must be submitted by the posted deadline or that application will be incomplete and not considered for that cohort.

*<sup>a</sup>Applicants with employment of 6 months or more as a C.N.A., EMT, or medical assistant can submit proof documents to have additional points added to their application. Proof document examples: employer pay stub, letter from employer on official letterhead.*

The above criteria and the BSN Application Checklist are intended to help applicants plan their application and guide them through the application process.

This sheet is an informational guide about eligibility requirements for applicants to the BSN program. Applicants should make sure they have the most up-to-date sheet when planning their application.
