Department of Health Sciences

BSN
Degree in Nursing
(Baccalaureate Degree in Nursing)

Information Packet
The Bachelor of Science in Nursing program is designed to respond to the emerging health care needs of individuals, families, groups, and communities and provide a foundation for excellence in nursing practice. This foundation enables the graduate to assume the role of a nurse generalist when delivering culturally competent care in a wide-range of health care settings with diverse populations. The utilization of critical thinking, leadership, and management skills, founded on evidence based practice, is essential. The importance of engaging in lifelong learning and community service is valued. Graduates are encouraged to return to higher educational programs to obtain advanced degrees.

### BSN Student Learning Outcomes

* BSN (traditional), RN-BSN, LPN-BSN Programs

Original: May 2, 2016 | Revised December 2018
Guiding Standards

Faculty utilizes professional standards and guidelines as a basis for curriculum development and program evaluation. The rationale for choosing these guidelines is that they are the most comprehensive and widely used in the United States. Currently the following nursing standards and guidelines are incorporated into each course:

- American Association of Colleges of Nursing. Washington, DC.

Additional standards and guidelines are integrated into specific courses in relation to content, identified learning objectives, and outcomes. These are identified in course syllabi.

Rev. 5/2017

Bachelor of Science in Nursing

Professional Baccalaureate Nursing

The Bachelor of Science in Nursing program provides educational experiences to prepare a professional nurse generalist with the ability to practice in a variety of healthcare settings. The program integrates nursing theory, practice, and science with a broad liberal arts education. The Bachelor of Science in Nursing provides the foundation to pursue graduate nursing education.

Admission Criteria

- GPA is calculated using all completed required courses for the BSN program (in progress courses are not used in the calculation)
- Prerequisite requirements must be completed or in process of completion by the application deadline.
- Must pass all in progress courses with a "C" or higher.
- Kaplan Nursing School Entrance Exam – allowed to take once per application cycle.
- Personal interviews for selected candidates
- Successful completion of a criminal background investigation and pre-admission drug screening taken at applicant’s expense after conditional admittance.

Application Process

1) Submission of a completed Colorado Mesa University application, through the CMU Admissions Office, or a reactivated application file if you have missed one or more semesters at Colorado Mesa University, declaring Baccalaureate Science of Nursing (Pre-BSN) as area of emphasis. You must be admitted to CMU prior to submitting the separate BSN application.

2) Completion of, or in process of completing, non-nursing program requirements (i.e. Essential Learning course requirements), and completion of, or in process of completing, pre-requisite and foundation classes.

3) Students applying to the Baccalaureate of Science Nursing Program are required to take the Kaplan Nursing Entrance Exam. Students are allowed to take the exam once per application cycle (January 16th–August 14th for fall application; August 16th–January 14th for spring application). Please see the CMU’s Testing Center website for more information on how to register: http://www.coloradomesa.edu/testing/index.html.

4) Complete and submit the Application for the traditional Bachelor of Science in Nursing (tBSN) form electronically per submission requirements listed on the Application and/or Application Check-off Form. Please see the following website for a complete check-off list for application: https://www.coloradomesa.edu/health-sciences/undergraduate/nursing/apply.html.

The Department of Health Sciences’ email address will respond to any email received with a generic automatic reply. The automatic reply does not indicate receipt of any required documents. Processing starts near application deadline. Each applicant will receive an individualized email within 7 days post application deadline indicating the official receipt of application materials. Please do not contact the department for the status of your application, unless you haven’t received the official receipt email by the 8th day post application deadline.

Every candidate who applies for a Colorado Registered Nursing License will be asked the following questions: Have you ever: (a) had any adverse action taken against you by any licensing agency in another state or country, any peer review body, health care facility, governmental agency, law enforcement agency or court of law? (b) surrendered a license or other authorization to practice nursing in another state or jurisdiction, or surrendered staff privileges while under investigation by any of these authorities or bodies? (c) been convicted, pled no contest/nolo contendere, pled guilty to or been granted a deferred judgment or sentence with respect to a felony, misdemeanor or petty offense other than minor traffic offenses? (d) had paid on your behalf any final judgment, settlement or arbitration award to malpractice? (e) been denied nursing malpractice insurance or had your nursing malpractice insurance coverage terminated by action of the insurance carrier?
**COLORADO MESA UNIVERSITY**

**Department of Health Sciences**

**Common Questions & Answers about the traditional Bachelor of Science in Nursing (tBSN) Program (FAQs)**

Please read all application materials and the section of the catalog that pertains to the Nursing Program, as well as the BSN Program section of [https://www.coloradomesa.edu/health-sciences/index.html](https://www.coloradomesa.edu/health-sciences/index.html). Many of your questions may be answered there.

**Does everything have to be in to the Department of Health Sciences Office by the deadline?**
Yes, you must be fully admitted to CMU as a Bachelor seeking student prior to applying to the tBSN program. The tBSN application, all college transcripts, transcript evaluations (if you have classes from other colleges/universities), and Kaplan exam scores, must be submitted by 5pm (MST) on the deadline date. If you are a transfer student, and to give the CMU Registrar’s Office appropriate time to process any transcripts from another institution, please make sure you’ve been accepted at CMU and have had transcripts reviewed at least one month prior to application deadline.

**Does the Department of Health Sciences have an admission fee?**
No, however, there is a fee to apply to Colorado Mesa University.

**Should I take any courses prior to being accepted into the tBSN program?**
Yes, you are required to complete all Essential Learning and program specific pre-requisite courses. Please review the Academic Requirements for Bachelor of Science in Nursing in BSN (Traditional) located on the CMU website: [https://catalog.coloradomesa.edu/areas-study/nursing/nursing-bsn/#requirementstext](https://catalog.coloradomesa.edu/areas-study/nursing/nursing-bsn/#requirementstext).

**Please Note:**
- **PSYC 150:** General Psychology and **PSYC 233:** Human Growth & Development are program pre-requisites that also meet Social & Behavioral Science Essential Learning requirements for 6 credit hours.
- **BIOL 250 & BIOL 250L:** Intro to Medical Microbiology and Lab are program pre-requisites that also meet the Natural Science with Lab Essential Learning requirement for 4 credit hours. Please note that the BIOL 250 & BIOL 250L courses have a 10-year limit on them. What a 10-year limit means, is that if you took it more than 10 years or longer from your application to the tBSN program, then those courses MUST be retaken, like the 10-year limit for the other biology foundation courses (BIOL 209/Biol 209L, BIOL 210/Biol 210L and BIOL 241).

Prerequisite requirements must be completed or be in the process of completion by the end of the semester of application. All essential learning courses must be completed by the end of the semester of application, to be considered a candidate for the tBSN program.

**Are there any scholarships specifically for tBSN students?**
Yes, scholarships are available for tBSN students. For specific scholarship information, please see [https://www.coloradomesa.edu/financial-aid/scholarships/index.html](https://www.coloradomesa.edu/financial-aid/scholarships/index.html).

**Do I have to be accepted at Colorado Mesa University before I can apply and be accepted into the tBSN program?**
Yes, you must be admitted to CMU as a Bachelor seeking student for the semester you are applying to start the tBSN program.

**When do the tBSN courses start?**
Traditional Bachelor of Science in Nursing (tBSN) courses begin spring and fall semesters. The tBSN courses are sequential and must be taken as outlined in Academic Requirements for Bachelor of Science in Nursing in BSN (Traditional), please review the website listed here: [https://catalog.coloradomesa.edu/areas-study/nursing/nursing-bsn/#requirementstext](https://catalog.coloradomesa.edu/areas-study/nursing/nursing-bsn/#requirementstext).

**How long is the tBSN program?**
The tBSN program is four (4) semesters post admission to the tBSN program. All Essential Learning and pre-requisite/foundation courses must be completed or in the process of being completed by the end of semester of the application for the program.

**How many students are accepted into the tBSN program each year?**
We accept up to 50 students twice a year, for a yearly total of 100.
How much does the tBSN program cost?
Tuition and fee information is located on the CMU website: https://www.coloradomesa.edu/student-accounts/expenses.html.

Should I apply to the tBSN program before I ask for a transcript to be sent?
You should submit your tBSN application documents electronically as per the instructions. You must contact the Registrar’s Office at 970-248-1555 to have any transfer credits evaluated for possible acceptance at Colorado Mesa University. Transfer transcripts should be evaluated at least a month prior to the application deadline, so that your application documents can be fully evaluated.

Should I speak to an advisor before I sign up for classes?
We suggest that you attend an open advising session that is listed on the Department of Health Sciences’ website at: https://www.coloradomesa.edu/health-sciences/ (please check our website for current dates/times). Once you’ve attended an open advising session, you can contact your primary advisor for further advising.

Do you give credit for health care related experience?
Yes, we will review specific health care related experiences as part of the application process.

Does Colorado Mesa University have a Practical Nurse (PN) program?
Yes. In addition to the PN program, we also offer a Licensed Practical Nurse to Bachelor of Science in Nursing (LPN-BSN) and an Associate of Science in Nursing (ASN) programs. For those who already have an Associate Degree in Nursing may also be interested in our online RN-BSN program. For more information on all of our programs, please see the Department of Health Sciences’ website at: https://www.coloradomesa.edu/health-sciences/.

Can I go part time?
While you are completing your Essential Learning/pre-requisites/foundation courses, you can go part time. However, if accepted to the tBSN program, you are expected to attend full time.

How do you choose candidates?
We review your overall grade point average from all required courses (Essential Learning, pre-requisites/foundation courses), the grades you achieve in Anatomy & Physiology I, Anatomy & Physiology II, and Pathophysiology and the score on the Standardized Admission Test (Kaplan Nursing School Entrance Exam) as week as any information requested on the tBSN application. The applicants who meet all requirements, with the highest accumulation of application points are invited to interview with the admissions committee.

Do you use a waiting list?
No, we do not. If an applicant is not accepted one semester and wishes to be considered for the next semester, they must reapply.

How much does a credit hour cost?
Please visit the CMU website: https://www.coloradomesa.edu/student-accounts/expenses.html for the most recent tuition and fees.

Do you have night tBSN classes?
Classes are during the day, but evening and/or weekend clinicals/labs may be required.

Can I work while I take classes?
We have students who work while attending nursing school. However, we do not recommend working. You should consider that for every hour of class, it is expected that the student spends two hours in preparation.

What classes can I take to fulfill the essential learning requirements?
You should refer to the Academic Requirements for Bachelor of Science in Nursing in BSN (Traditional): https://catalog.coloradomesa.edu/areas-study/nursing/nursing-bsn/#requirementstext or review the CMU Baccalaureate and Associate (AA/AS) Degree Requirements listed, below. Only selected 100 and 200 level classes listed in the specific sections are acceptable for fulfilling Essential Learning requirements.

Do I need my own computer?
Many courses include computer and Internet-based assignments. Having your own computer gives you more freedom in completing course assignments. Computer labs are available on campus for student use. As a student, you are provided an email address, which you will be required to access regularly. CMU also provides each student Office 365 for up to five platforms (iPad, computer, etc.) for free.
A. Essential Learning Core – 31 credit hours

All CMU essential learning core courses are approved by the Colorado Department of Higher Education for statewide guaranteed transfer except courses marked with + which are not yet approved.
+ Cannot be substituted for ESSL 200.

English – 6 credit hours

Option 1

ENGL 111* English Composition; and
ENGL 112* English Composition; or

Option 2*

ENGL 112* English Composition; and
ENGL 219* Introduction to Professional Writing

*A grade of “C” or higher is required for graduation

Mathematics – 3 credit hours

MATH 110* College Mathematics
1MATH 113* College Algebra
MATH 113R* College Algebra with Review
MATH 119* Pre-Calculus Mathematics
MATH 119A* Algebra for Calculus
MATH 149* Honors Mathematics
MATH 151* Calculus I
MATH 205* Elements of Mathematics II

*A grade of “C” or higher is required for graduation
1MATH 113 or higher is required for admission to the BSN program.

History – 3 credit hours

HIST 101, 102 Western Civilization
HIST 131, 132 United States History
HIST 225 History of Colorado

Humanities – 3 credit hours

ENGL 131, 132 Western World Literature I & II
ENGL 150 Introduction to Literature
ENGL 222 Mythology
ENGL 254, 255 Survey of English Literature I and II
ENGL 261, 262 Survey of American Lit I and II
HIST 101, 102 Western Civilization
HIST 131, 132 United States History
HIST 225 History of Colorado
MASS 110 Mass Media Impact and History
PHIL 105 Critical Thinking
PHIL 110 Introduction to Philosophy
PHIL 120 Ethics
PHIL 130 Philosophy of Religion
++SPCH 102 Speechmaking

Social and Behavioral Sciences – 6 credit hours

ANTH 202 Introduction to Anthropology
ANTH 220 Principles of Archaeology
ANTH 222 World Prehistory
ANTH 231 & 231L Survey of Biological Anthropology and Lab
+CSCI 100 Computers in Our Society
ECON 201 Principles of Macroeconomics
ECON 202 Principles of Microeconomics
EGEO 102 Human Geography
EGEO 103 World Regional Geography
POLS 101 American Government
+POLS 151 Introduction to Political Ideas
POLS 261 Comparative Politics
+POLS 270 World Politics
1PSYC 150 General Psychology
2PSYC 233 Human Growth and Development
SOCI 101 Intro to LGBT+ Studies
SOCI 102 Introduction to Women's and Gender Studies
SOCI 120 Technology and Society
SOCI 144 Marriage and Families
SOCI 260 General Sociology
SOCI 264 Social Problems
++SPCH 101 Interpersonal Communication

Fine Arts – 3 credit hours

ARTE 101 Two-Dimensional Design
ARTE 102 Three-Dimensional Design
ARTE 103 Digital Art and Design
ARTE 115 Art Appreciation
ARTE 118 History of Art, Prehistory to Renaissance
ARTE 119 History of Art, Renaissance to Present
DANC 115 Dance Appreciation
FINE 101 The Living Arts
MUSA 220 Music Appreciation
MUSA 266 History of Popular Music
MUSA 267 Jazz History and Literature
THEA 141 Theatre Appreciation
THEA 145 Introduction to Dramatic Literature

Natural Sciences – 7 credit hours (must include 1 lab)

***BIOL 101, 101L General Human Biology and Lab
***BIOL 105, 105L Attributes of Living Systems and Lab
***BIOL 108, 108L Diversity of Organisms and Lab
***BIOL 250, 250L Intro to Medical Microbiology and Lab
CHEM 100 Chemistry and Society
CHEM 111 Introduction to Concepts of General Chemistry
***CHEM 121, 121L Principles of Chemistry and Lab
***CHEM 122, 122L Principles of Organic Chem and Lab
***CHEM 131, 131L General Chemistry and Lab
***CHEM 132, 132L General Chemistry and Lab
***CHEM 151, 151L Engineering Chemistry and Lab
ENVS 101 Introduction to Environmental Science
GEOL 100 Survey of Earth Science
GEOL 103 Weather and Climate
GEOL 104 Oceanography
GEOL 105 Geology of Colorado
GEOL 106 Introduction to Dinosaurs
GEOL 107 Natural Hazards & Environ. Geology
GEOL 108 Water, People & Environment
***GEOL 111, 111L Principles of Physical Geology & Lab
***GEOL 112, 112L Principles of Historical Geology & Lab
***GEOL 113, 113L Field-based Intro to Phys Geology & Lab
PHYS 100 Concepts of Physics
PHYS 101 Elementary Astronomy
***PHYS 103, 103L General Astronomy and Lab
***PHYS 111, 111L General Physics and Lab
***PHYS 112, 112L General Physics II and Lab
***PHYS 131, 131L Fundamental Mechanics and Lab
***PHYS 132, 132L Electromagnetism & Optics and Lab

1BIOL 250 & BIOL 250L are pre-requisites for the BSN program.
***Course fulfills the natural sciences requirement of associated lab or field component.
Both the lecture and laboratory are required for essential learning credit.

B. Wellness Requirements – 2 credit hours

KINE 100 Health and Wellness
KINA 1XX

Any KINA 1XX level course(s), DAN1 154, 160, 169, 174, 187, 189; MUSP 147 (credit bearing course only); OREC 104, 105, 108, 109, 110, 112, 135 may fulfill the Kinesiology activity requirement. Only one varsity sport course numbered KINA 180-189 may be used to meet the activity requirement.

Essential Learning Capstone only applies to Bachelor's degree

C. Essential Learning Capstone – 4 credit hours

The Essential Learning Capstone must be completed between 45-75 credit hours.

****ESSL 200 Essential Speech
ESSL 290 Maverick Milestone

****ESSL 200 is a co-requisite course with ESSL 290 and must be taken together in the same semester.

1PSYC 150, PSYC 233 are pre-requisites for the tBSN program.

SUGGESTED COURSE SEQUENCING FOR A MAJOR IN NURSING

This is a recommended sequence of course work. Certain courses may have prerequisites or are only offered during the Fall or Spring semesters. It is the student’s responsibility to meet with the assigned advisor and check the 2 year course matrix on the Colorado Mesa website for course availability.
