In the exercise of that discretion, Cigna shall have the right to require you to provide proof sufficient to Cigna that you have made your required cost share payment(s) prior to the payment of any benefits by Cigna. This exclusion includes, but is not limited to, charges of a non-Participating Provider who has agreed to charge you or charged you at an in-network benefits level or some other benefits level not otherwise applicable to the services received.

Clinical coverage policies may incorporate, without limitation and as applicable, criteria relating to U.S. Food and Drug Administration-approved labeling, the standard medical reference compendia and peer-reviewed, evidence-based scientific literature or guidelines. The plan or policy shall not deny coverage for a drug or Biologic therapy as experimental, investigational and unproven if the drug or Biologic therapy is otherwise approved by the FDA to be lawfully marketed and is recognized for the treatment of cancer in authoritative reference compendia as identified by the secretary of the U.S. Department of Health and Human Services.
