

Colorado Mesa University 2020 Wellness Program

Colorado Mesa University (CMU) wants to reward you for taking an active interest in your health by giving you the opportunity to earn a **\$50** wellness incentive off your monthly health insurance premium. This voluntary program is designed to encourage you to make smart choices, fulfill preventive health services, and engage in healthy behaviors towards achieving your healthy best.

When does the program start and end?

The CMU wellness program is aligned with the benefit/calendar year, starting on January 1st and ending on December 31st, 2020.

How do I qualify for the \$50 incentive?

Step 1 – Sign-Up

- You must be enrolled in the health plan and sign up for the wellness incentive program to participate.
- Current employees must sign-up during open enrollment and prior to January 1, 2020.
 - Employees with a qualifying event allowing for late enrollment in the 2020 health plan must sign-up within 30 days of the qualifying event.
- New employees must sign-up 30 days within the date of hire.
- To sign up, complete the Wellness Program Enrollment Form.
- If this is not for you, it is okay. You will need to decline to participate on the Wellness Program Enrollment Form. If you decline to participate, you will not be eligible to receive any incentive dollars.

Step 2 – Biometric Health Screening and Health Assessment

After signing up, you must complete the biometric health screening **and** the health survey.

- Both the biometric screening and the health survey must be completed either:
 - + during open enrollment for current employees,
 - + within the first 30 days of employment for new hires, or
 - + within 30 days of enrollment for late enrollees to the health plan following a qualifying event.
- **Biometric Health Screening** – A health screening that measures certain health factors (biometrics) including:

+ Blood Pressure	+ Total Cholesterol	+ Triglycerides	+ Glucose
+ HDL Cholesterol	+ LDL Cholesterol	+ Waist Circumference	+ BMI
+ Complete Blood Count (CBC)	+ Albumin (Globulin; ALB/Glob ratio)	+ Chloride	+ Uric Acid
+ Total Bilirubin	+ Calcium	+ Direct Bilirubin	+ Inorganic Phosphorus
+ LDH	+ Alkaline Phosphatase	+ Iron	+ Gamma-GT
+ Sodium	+ Urea Nitrogen (BUN)	+ Creatinine (BUN/ Creatinine ratio)	+ Potassium
+ Magnesium		+ Total Protein	+AST (SGOT)
+ ALT (SGPT)		+ Nicotine	

- **Health Survey** – A 15 minute questionnaire that inquires as to an individual's self-assessment of various wellness factors such as physical and mental health, stress management, nutrition, and sleep. Participants will access Rally to complete the online health assessment.
 - + Current employees: The Health Assessment will be available beginning January 1, 2020.
 - + New Hires: Please complete the Health Survey 30 days within the date of hire.

Step 3 – Complete 100% Participation

To qualify for the incentive, you must complete 100% participation:

- 1) You can earn 100% through your biometric results and completing your health assessment, or
- 2) You can earn partial progress from your biometric results and health assessment, then earn the remaining progress from wellness activities.

Wellness Program Criteria

For completing the health assessment, biometric screening, and for each biometric result that meets the guidelines in the table below, you will earn the associated participation progress:

Take-Action	Criteria	Value
Complete the Health Assessment and Biometric Screening	Rally Health Assessment Annual Biometric Screening	30%
