Coverage not available in some areas. Network Management: Service may be slowed, suspended, terminated, or restricted for misuses, abnormal use, interference with our network or ability to provide quality service to other users, or significant congestion. During congestion the small fraction of customers using >950GB/mo. for more than 10GB/mo for Magenta may notice reduced speeds until next bill cycle due to data prioritization. On-device usage is prioritized over tethering usage, which may result in higher speeds for data used on device. See T-Mobile.com/OpenInternet for details. See Terms and Conditions (including arbitration provision) at www.T-Mobile.com for additional information.
