

Separating/Separated Employees can get previous paystubs and W2 Forms via MAVZone:

<https://cmusub.coloradomesa.edu/BannerPROD/twbkwbis.P WWWLogin>

You will be prompted for your User ID and pin. Your User ID is your employee 700#. Your pin has been reset to your six-digit birthday in mmddyy format.

For security purposes, you should log into MAV Online and change your pin. Click on the personal information tab and click on the change PIN Link. Pins are six numbers. After you change your pin, click on change security question. Enter a security question so that if you ever forget your pin, you will be able to reset it.
