This document explains how to clear the cache and cookies from Microsoft Edge in Windows 10.

1. Open Microsoft Edge.
2. Click the More icon ..., at the top right corner of the browser window and in the menu that appears, click Settings.

3. In the settings menu, towards the bottom, click on Choose what to clear.

   **NOTE:** Selecting the Passwords option will remove any passwords you have previously saved for web sites.

4. Select all and click Clear.
