UPLOADING A PHOTO TO MAVZONE FOR TEMPERATURE STATIONS
1. Login to MAVZone.
2. Click 'MY TASKS' on the left of your screen.
3. Click the bar that says 'Upload Your Photo' and then click 'UPLOAD'.
4. Click 'Attachments' at the bottom of the screen.
5. Click 'Upload File(s)'

**If you are accessing the form from a mobile device you will be given the option to either use a file on your device or to access the camera to take a new picture.**
6. Browse your computer until you find the photo you wish to upload. Click on the photo and then select 'Open'.
7. Click 'Submit'.

8. Once your photo is uploaded, you may then close your browser window.
