- For Human Subjects Research – Choose

Question 1

Human Subjects Research

Please choose one learner group below based on your role and the type of human subjects activities you will conduct. You will be enrolled in the Basic Course for that group.

- Biomedical Researchers
- Social & Behavioral Research Investigators: Choose this group to satisfy CITI training requirements for Investigators and staff involved primarily in Social and Behavioral research with human subjects.
- IRB Members: This Basic Course is appropriate for IRB or Ethics Committee members.
- Students conducting no more than minimal risk research
- Not at this time.

Those registering for Qualtrics need to ONLY take this course

CITI Online Research Ethics Training

- There are other course options for those engaged in animal research, public health research, and others needing conflict of interest, responsible conduct of research, or privacy training.
- You may only need one course. You are not required to choose multiple courses unless instructed to do so by your professor, the IRB, the IACUC, or Sponsored Programs.
- All CITI courses under our CMU account are available to you at no cost. So feel free to explore other courses that may just interest you.
