**Are there other programs not listed within this survey that you think offering would be beneficial for our community and/or the students of MSCD?**

Continuing to offer teacher education and striving to encourage future educators. We are facing a large teacher shortage statewide.

Early Childhood, EMT, Computer and Network Technology, welding

I would love to get involved with scaling up the digital film making course opportunities. I am a filmmaker in my work and off hours, and a former film teacher. This is Matt Jenkins. Thomas.Jenkins@mcsd.org. I was sitting with Carrie at the Forum and Steve had a great presentation. Steve: please mail me if you want to schedule a time to talk. I'll also email Steve directly.

CNA and Welding

Outdoor Industry

Early Childhood Education; AA program

No

College Algebra

dental assisting/dental hygiene; astronomy; HVAC and plumbing along with electrician skills

**Please identify the entity/school for which you work.**

MCSD--Northside.
