Dear CMU & WCCC Faculty and Staff:

We are excited about the progress of the CMU Marching Band, the Maverick Stampede. Now in it's 6th year, this large ensemble of students has been working very hard to produce demanding field shows and bring CMU spirit to our campus.

The Maverick Stampede has been invited to be featured performers at one of Colorado's largest band festivals in Denver on Saturday, October 20 for an audience of thousands of students and parents representing over 25 high school programs. Since more than 60% of our current band members are non-music majors, we are anticipating this to be a powerful recruitment opportunity for all CMU programs.

To support this effort, **we ask that you excuse band members from all CMU classes and events on Thursday, October 18 (starting at 1pm) and Friday, October 19 (all day, see schedule below).** Due to the nature of marching band, it is imperative that all members participate in these efforts. For a private sneak peak of our tour performance, we invite all of you to our last rehearsal on Tuesday, October 16 from 6-9pm (best to come around 7:30pm), before we take our show on the road.

Students have been informed that they are ultimately responsible for missed lectures, exams, and assignments. A list of these students is provided (next page) for your reference. Band members have also been informed to communicate directly with their instructors and professors.

Thank you for your continued support of the Maverick Stampede and all of the hard work these students give towards the progression of all that is CMU!

Sincerely,

Jonathan Hinkle, Ph.D.
