Colorado Mesa University-Affiliated Social Media Account

If your program, department or organization has any CMU-affiliated social media accounts, please let us know so we can add them to the CMU social media directory.

1. The name of the page (must contain “Colorado Mesa University”, “Colorado Mesa” or “CMesaU”, do not use the CMU acronym) and the platform (Facebook, Instagram, Twitter, etc.)

   Name/Handle: ___________________________________

   Platform: _______________________________________

2. Who will serve as an administrator?

   Administrator: ________________________________

   Updated How Often: __________________________

3. Submit the username and password required to access the account in case we need to delete it or pass its management on to someone else. If it’s a Facebook account, we do not need the login credentials but you do need to add Katlin Birdsall and Kelsey Coleman as admins on the account.

   Username: _________________________________

   Password: _________________________________

4. Brief explanation of the content plan and how often the page will be updated.

   Content plan: ______________________________________________________

   ___________________________________________________________________
