

MAVcard Disclosure Statement

Your Colorado Mesa University MAVcard is not only your University identification card; it can also be used as a DEBIT CARD to make purchases from on-campus card readers or point-of-sale terminals. Because these purchases are electronically debited to your CMU MAVcard account at the University, they can be made without the hassle of using cash or writing checks. Purchases and other transactions that use your CMU MAVcard to debit or credit your CMU MAVcard Account are called “electronic fund transfers” or “transfers.”

The federal Electronic Fund Transfer Act, 15 U.S.C. §§1693 et seq., and Federal Reserve Board Regulation E, 12 C.F.R. §§205.1 et seq., protect cardholders who use their CMU MAVcard to make electronic fund transfers. This disclosure statement notifies you of important rights that you, as a cardholder, have under the Act and Regulation E. Please retain this disclosure statement for your records and information.

GENERAL TERMS AND CONDITIONS

General terms and conditions governing the issuance, ownership, and use of your CMU MAVcard and governing your CMU MAVcard Account are listed in the TERMS AND CONDITIONS AGREEMENT attached to this Disclosure Statement and in your application for a CMU MAVcard. Use of your CMU MAVcard is also subject to the terms, conditions, rules, and regulations listed in the Colorado Mesa University Student Handbook.

VALIDATING YOUR CMU MAVcard FOR USE AS A DEBIT CARD

You cannot use your CMU MAVcard as a debit card until the card has been VALIDATED. If you do not want to validate your CMU MAVcard, you may either return it to the CMU MAVcard Office or keep it to use as your University ID card. However, if you choose to keep an invalidated CMU MAVcard for use as an ID card, you MAY NOT use it as a debit card or to make other transfers.

To validate your CMU MAVcard as a debit card, you must deposit funds in one of two MAVcard Accounts. There are two accounts you may deposit money into. One account is the MAVmoney Account. This is a FOOD SERVICE ONLY account. In the MAVmoney Account you have options of the type of plan you would like to purchase. The second account is the MAVcard FLEXmoney Account. This account can be used anywhere on campus where FLEXmoney is accepted such as the bookstore, business office, library and parking services including parking meters.

Your CMU MAVcard will be validated as a debit card once the deposit is credited to one or both of these accounts. For information about opening and depositing funds into one or both of these CMU MAVcard Accounts, please refer to the TERMS AND CONDITIONS AGREEMENT attached to this disclosure statement.

YOUR LIABILITY FOR UNAUTHORIZED TRANSFERS

Notify the University AT ONCE if you believe that your CMU MAVcard has been lost or stolen. If you fail to notify the University that your card has been lost or stolen, you could lose all the money in your CMU MAVcard Account.

TELEPHONING the CMU MAVcard Office at the number listed below is the best way to minimize your losses.

If you notify the University within 2 business days after you learn that your CMU MAVcard has been lost or stolen, you can lose no more than \$50 if someone used your card without your permission.

If you do NOT notify the University within 2 business days after you learn of the loss or theft of your card, and the University can prove that it could have stopped someone from using your card without your permission if you had notified the University within 2 business days, you could lose as much as \$500.

Also, if your CMU MAVcard Account statement shows electronic fund transfers that you did not make, notify the University AT ONCE at the telephone number or address listed below. If you do NOT notify the University within 60 calendar days after the statement was mailed to you (by e-mail or regular mail), you may not get back any money that you lost after 60 calendar days if the University can prove that it could have stopped someone from taking the money if you had notified it in time.

If a good reason (such as a long trip or hospital stay) kept you from notifying the University of a lost or stolen card or unauthorized transfer, the University will extend the 2-business day or 60 calendar day time periods. The stolen MAVcard fee can also be waived if a formal police report is done on the stolen property.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

If you think that your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt, call the University at (970) 248-1059 or write the University at The CMU MAVcard Office, 1100 North Avenue, Grand Junction, CO 81501-3122, as soon as you can. The University must hear from you no later than 60 days after the University sent the FIRST statement on which the problem or error appeared. When you call or write:

(1) Tell us your name and account number.

(2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is in error or why you need more information.

(3) Tell us the dollar amount of the suspected error.

If you tell the University orally, you may be required to send the University your complaint in writing within 10 business days. The University will determine whether an error occurred within 10 business days after we hear from you and correct any error promptly. If it needs more time, however, the University may take up to 45 days to investigate your complaint or question. If we decide to do this, the University will credit your account within 10 business days for the amount you think is in error, so you will have the use of the money during the time it takes the University to complete its investigation. If we ask you to put your complaint or question in writing and do not receive it within 10 business days, the University may not credit your account.

The University will tell you the results of its investigation within 3 business days after the investigation is completed. If we decide that there was no error, we will send you a written explanation.

BUSINESS DAYS

For purposes of these disclosures, the University's business days are Monday through Friday. Saturdays, Sundays, and official University holidays listed in the annual Academic Calendar are not University business days.
