

# Enrichment Course Descriptions

Choose one from each column.

## Enrichment Course #1 Options

### **Actor 101:**

Come learn the basics of acting, the stage, and backstage through fun games and activities.

### **Percussion Ensemble:**

Campers will explore drums, xylophones, and other percussion instruments. A final performance will be given at the Friday concert.

### **Music Technology:** *(limited to first 16 campers)*

Campers will explore ways to create, edit, and manipulate music on the beautiful and updated Mac Lab.

### **Composing**

Learn how to create your own songs including lyrics, melodies, and instrument combinations.

## Enrichment Course #2 Options

### **Triple Threat:**

Campers who love to sing, act, and dance will feel right at home in this course. Learning to be a triple threat for those wanting to be on Broadway or TV!

### **Ukulele:** *(limited to first 30 campers)*

Named after jumping fleas, the ukulele is perfect for those who want to be a singer/songwriter on the radio.

### **Rock Keyboard:** *(limited to first 16 campers)*

A rock band needs someone on the keys and this is the start! Playing chords and jamming out is bound to be a blast for all.

### **Stomp!:**

Built around the popular group, Stomp!, this course uses found sounds to make performances exciting and fun. Anything you can imagine will be your instruments for this fun time!
