INDOOR CYCLING
• Beginners should arrive 5-10 minutes prior to their first class for proper bike set up.
• All classes involve steady, consistent pedaling with heavy resistance at times. All rides promote muscular and cardiovascular development.

MAV CYCLE - Come get a stimulating and challenging workout as we put our own "spin" on the traditional Spinning class! Classes are choreographed and led by certified instructors. Limited to 20 participants.

RECOMMENDATIONS FOR ATTENDING GROUP CYCLING CLASS
Participants should bring a towel and water bottle to every class. New participants are encouraged to arrive to class at least 5 minutes before class begins in order to allow time for proper bike set-up. Our bikes have SPD clips. Participants are welcome to bring cycling shoes that clip into our pedals, but may not remove the pedals and insert their own clips.

GROUP X CLASS POLICIES & ETIQUETTE
• Class space is limited and available on a first come, first serve basis.
• Reserving space is not permitted.
• Please keep conversation to a minimum - Conversing with friends during class is distracting to both the instructor and other members!
• Equipment should be returned to the proper storage area and should not be removed from any GroupX space.
• Please use care when using weights and other equipment to prevent damage to the floors.
• Only water bottles with a secure lid are permitted. No food or gum.
