Grade Reporting Services

The grade reporting services listed below are available to students. Except for "Grades by Phone" students can order these services by contacting AP Services:

AP Services
P.O. Box 6671
Princeton, NJ 08541-6671
Phone: (609) 771-7300 or (888) 225-5427 (toll-free in the U.S. and Canada)

When Requesting Grade Reporting Services

Be sure to include the following information with each of your requests:

- The grade reporting service(s) you are requesting.
- Your full name, home address, gender, date of birth, AP number(s), and social security number.
- Each year you took AP Exams.
- A credit card number and expiration date, or a check or money order for the exact amount due. Make checks and money orders payable to AP Exams.
- When requesting additional grade reports, also include the name, city and state, and college code of the college(s) you would like to receive your report.
- When requesting grade withholding, grade cancellation, multiple-choice rescoring, or your free-response booklets, also include the name(s) of the exam(s) to which your request applies.

Grades By Phone

Starting July 1, AP Grades by Phone for the current year's exams will be available for students in the United States, U.S. territories, and Canada for a fee of \$8 per call. This service will be offered 24 hours a day by TouchTone phone and will remain available for about six weeks. The toll-free number is (888) 308-0013. Students outside the U.S., U.S. territories, and Canada can call [AP Services](#).

Additional Grade Reports

If you would like a grade report sent to an additional college, or if you did not specify a college to receive your grade report at the time of testing, you can contact [AP Services](#) to request the delivery of additional grade reports. Requests generally take one week to process from the date they are received and cost \$15 per report. Rush reports are processed within two working days and are available for \$25 per report.

Grade Withholding

You may have one or more grades withheld from the report sent to the college you indicated on your answer sheet. To have a grade withheld from the indicated college, AP Services must receive your written, signed request by June 15 accompanied by a \$10 fee per grade, per college. If your request is not received by June 15, the grade is automatically sent to the college indicated on your answer sheet.

The grade will be withheld from any future grade reports sent to that particular college. You may later release the grade to that college by sending AP Services a signed written request.

If you later decide to send an AP Grade Report to a different college, however, you need to contact AP Services to have the grade withheld from that grade report. A request to withhold a grade does not permanently delete your grade, and all exam grades, even those withheld from grade reports sent to colleges, are sent to you and your school.

Grade Cancellation

Grade cancellation deletes an AP Exam grade permanently from your records. Grades may be canceled at any time. However, for grades not to appear on the current year's grade report, AP services must receive a signed letter requesting cancellation by June 15. While there is no fee for this service, your exam fee is not refunded. The grade report that you and your school receive will indicate that the grade has been canceled.

Free-Response Booklets

For a fee of \$7 per booklet, you may obtain your original free-response booklet(s) from the exam administration by contacting AP Services. No comments, corrections, or scores are included. [AP Services](#) must receive requests by September 15. You will not be able to order your booklet(s) after this date. Students who test late using an alternate form of the exam will not be able to request their booklet(s).

Archived AP Grades

Four years after your test date, your AP grades are removed from our active computer files and archived. Requests for these archived grades must be in writing and cost \$25 per recipient. In your correspondence, sent to the address above, please include the following information: your name at the time you took the exam, date of birth, social security number, current mailing address, daytime phone number, the year the exam was taken, name of the exam, name of the high school you attended, and the name and address of the institution to which you'd like your AP grades sent. Your AP transcript will go into first-class mail within 7 to 10 business days after we receive your request.
