ACADEMIC RENEWAL PETITION

For students who have sat out more than five years and do not want to use any prior course work.

Effective with the 1996-97 catalog, Colorado Mesa University Academic Renewal Policy regulations are as follows:

A student who re-enrolls at Colorado Mesa University following an absence of at least five years may be eligible for "academic renewal." If "academic renewal" is approved, none of the course credits and grades earned at Colorado Mesa University prior to the five-year minimum absence will be used for meeting graduation requirements or in determining the student's grade point average.

Among the requirements to be eligible to apply/petition for "academic renewal" is that after reenrollment, the student must have completed an additional 24 academic course credits at Colorado Mesa University, excluding kinesiology activity courses and remedial courses below the 100 level, with a minimum grade point average of 3.0. The student must apply/petition no later than the semester following the completion of these 24 additional credit hours. Matriculation and/or course completion at other institutions during the five-year period of absence has no bearing on the application/petition.
