

EMERGENCY OR HARDSHIP WITHDRAWAL REQUEST

Please type or use blue or black ink only.

Semester: _____ Name: _____ CMU ID # _____

In the case of an event that qualifies as an emergency or hardship, students may request an Emergency or Hardship Withdrawal from an instructor after 67 percent, but before 75 percent of a course is completed. An emergency or hardship situation is defined as a significant, unexpected nonacademic circumstance beyond the student's control and is granted at the discretion of the instructor. Failing, poor performance in a course, or other academic-related reasons do not constitute circumstances for an emergency withdrawal. Substantiating documentation (e.g., doctor's notes, court documents, and death certificates) may be required at the request of the instructor. If approved by the instructor, a grade of "W" (withdraw) will be recorded for the course provided the signed paperwork is submitted to the Registrar's Office by the deadline as noted on the back of this sheet.

Withdrawals

Withdrawal with a "W": Students may withdraw from a course with the instructor's signature following the last day to drop to the two thirds point (67%) of the class. The course will appear on the student's transcript with the grade of "W". No refund of Tuition/Fees.

Withdrawal with an "F": Students withdrawing after the two thirds point (67%) of the class will receive an automatic "F" unless the student qualifies and completes the Emergency or Hardship Withdraw Request form.

Semester Withdrawal: The student is completely withdrawing from school and must submit a "Semester Withdraw" form. Grading for a "W" or an "F" follows the deadlines. Students qualifying for an Emergency or Hardship Withdraw may need to fill out both forms during the date ranges above.

Emergency or Hardship Withdrawal From a Course: In cases where there are substantial, unexpected non-academic circumstances beyond the student's control, the student must use the "Emergency or Hardship" form and follow the appropriate procedures as noted on the other side of this form. An Emergency Withdrawal for a "W" grade may be considered between the 67-75% date range on the course and the student must be passing.
