I agree to be bound by all terms of this agreement as co-signer and guarantor (the "Guarantor").

I. INTRODUCTION

The above named student (the "Student") who is or will be enrolled in a certificate or degree seeking program at Colorado Mesa University or Guarantor of the Student if the Student is a minor, and the Board of Trustees of Colorado Mesa University, acting by and through Colorado Mesa University, Residence Life ("Residence Life") hereby enter into this Student Housing and Dining Contract ("Contract") in accordance with the terms and conditions set forth herein.

Upon acceptance of this Contract by Residence Life, it is **legally binding on Residence Life and the Student**. The Student must abide by the terms and conditions of the Contract including, but not limited to, the obligation to pay all amounts due for the full Contract term. Acceptance of this Contract by Residence Life shall occur upon receipt of all of the following: (i) the Student's housing application; (ii) Pre-payment; and (iii) this Contract signed by the Student or Guarantor.

II. CONDITIONS AND TERMS OF THIS CONTRACT

Colorado Mesa University Student Residency Requirement

The University requires that all students admitted as new freshmen and transfer students who graduated from high school less than two years before their term of CMU/CMU Tech enrollment live in a residence hall for four semesters, subject to availability of space, unless they request and are granted an exemption prior to fulfilling the four-semester requirement. All students who meet the criteria in the sentence above agree to submit either a Housing Application or Housing Policy Exemption Request annually prior to the academic year. Information about who qualifies for an exemption can be found on the Residence Life website. Students who violate this policy will be assessed the minimum housing and meal plan.

Students who are not required to live on campus are still eligible to live in a residence hall and may apply by submitting a Housing Application to Residence Life prior to May 1st. Applications submitted after May 1st will be prioritized based on exemption status. Students who are no longer required to live on campus may still apply for on-campus housing but may be waitlisted until August 1st. Colorado Mesa University will assign wait listed applicants beginning August 1st based on space available. Students younger than 16 years of age or older than 24 years of age should contact a Residence Life Assistant Director or Director prior to submitting a housing application to discuss their housing options on a case by case basis.

The residence hall schedule of rates and all Colorado Mesa University policies and procedures are incorporated herein and made a part of this Contract by reference. These rates and policies may be found on our website: www.coloradomesa.edu/residence-life

Acceptance of this Contract does not constitute or guarantee admission to Colorado Mesa University. Assignment to on-campus housing and liability for any amounts due hereunder except the Application Fee (as defined below) are conditional upon final acceptance for admission by the University. Note: Application for admission to the University and application for Residence Hall or Apartment accommodations are separate transactions acted upon separately by the University.

Submission of this Contract and the Application Fee by the Student does not guarantee that the Student will be assigned to on-campus housing. Qualified students for whom space is not available will be placed on a waiting list and notified of this status. In making assignments off of any waiting list, the University will prioritize students who are required to live on campus. If the Student is not assigned housing, the Student will not be liable for any amounts due hereunder.

This Contract is for the Student only and may not be assigned to another party.

III. DURATION/TERM

A. **TERM** - The University will determine the available period of occupancy for each academic semester, including dates by which the Student will be allowed to move into the residence hall and by which the Student must vacate the residence hall. Dates will be published at coloradomesa.edu/residence-life each semester.

B. **RECESS PERIODS** - The Student may occupy his or her assigned room during fall break, Thanksgiving break, winter break and spring break with no additional charge as long as the student registers with Residence Life as instructed by email. Residence Life does not guarantee assignments to a particular building or unit, type of accommodations or with a specific roommate. Residence Life reserves the right to make room assignments for those required to live on campus through August 1st prior to fall semester. Students must be registered in order to check in for any semester.

Room reassignment, and utility or facility disruptions, shall not result in the reimbursement or reduction of housing and dining rates and/or residential academic program fees referenced in this Contract.

C. **SPECIAL ACCOMMODATIONS OR NEEDS REQUEST**- Students with disabilities and/or medical conditions requiring special accommodations must contact Residence Life as soon as possible. Approval of special accommodations is contingent on appropriate documentation and the recommendation of Student Services. D. **ROOM CHANGES** - Changes to room and or bed assignments must be authorized by Residence Life.

E. **ROOM CONSOLIDATION** - Residence Life reserves the right to consolidate occupants residing in multiple capacity rooms, semi-suites, suites and apartments. Furthermore, at any time a resident is found to be occupying space in which they are not assigned (ex: both sides of a double room) they are violating University policy, subject to conduct violation procedures and ultimately responsible for the housing charges for any space in which they occupy.

F. **ACCESS TO ROOMS** - The University shall at all times during the term of this Contract retain legal ownership and ultimate possession and control of the Student's room and/or University property assigned to such room. Residence Life reserves the right to maintain and preserve the residence halls. The Student hereby understands and agrees that authorized personnel may enter the Student's room at any reasonable time for life, safety, or health threatening emergencies; to perform requested or preventative maintenance; to respond to a cry for help or the smell of smoke; or to investigate potential policy violation(s). The Student hereby authorizes access by Residence Life personnel when any law enforcement officer possessing a facially valid search or arrest warrant requests access.

G. **RESERVATION** - Residence Life reserves the right to refuse housing and dining privileges to the Student if the Student has demonstrated an unwillingness to abide by Residence Life and dining rules and regulations, or who exhibits behavior that is incompatible with the maintenance of order and propriety in the residence halls or dining operations or is delinquent in the payment of housing and/or dining charges.

H. **ABANDONMENT OF PROPERTY** - After a resident has been identified as a non-returner, the University will consider property left in the Residence Halls for a period of 5 business days as "abandoned property". The University retains the right to dispose of this property.

I. **DINING SERVICES** - Students living in the traditional, suite and semi-suite residence halls are required to purchase a dining plan. **Apartment** residents have the option of purchasing a dining plan or not.

V. RATES / PRE-PAYMENTS / REFUNDS

A. **PAYMENT** - The Student is responsible for payment of all required charges, pre-payments, and fees. **Housing and dining will not be prorated if the Student checks in late.**

B. **PRE-PAYMENTS/FEES** - At the time of application, \$200 is due to the University. This \$200 consists of the housing pre-payment of \$150 (the "Pre-payment"), and a \$50 non-refundable application fee (the "Application Fee"). **The Pre-payment is**

a housing payment and will be applied towards the first semester housing charges.

C. **ACTIVITY FEE** - In addition, the Student will pay an Activity Fee of **\$30** per semester that is **non-refundable after the date of check-in**. This Activity Fee is used to fund various programs for residents throughout the academic year.

D. **OTHER CHARGES** - Students will be billed separately for any cleaning and/or damage charges on his or her Student account. Fines are assessed by Residence Life Professional Staff members within one week of the Student checkout by a Resident Assistant. Requesting to live off campus while enrolled in only online classes;
Requesting to live off campus due to a profound medical condition that prohibits residing on campus;
Requesting to live off campus due to extreme financial hardship.

B. **CANCELLATION** – Prior to occupying their assigned room, a Student may withdraw their application to live in the residence halls by submitting a Cancellation Request form to Residence Life at least 14 days prior to the official start of classes. A Cancellation Request will be considered for Students who are not required to live on campus, for example, because they have graduated, withdrawn from the University prior to the semester, or already have lived on campus for four or more semesters.

C. **APPROVAL** – Residence Life will notify the Student if their Exemption or Cancellation Request is approved, typically within one week. Requesting an exemption or cancellation does not guarantee exemption or cancellation will be granted. Students granted an exemption will not be assigned a room in a residence hall or be responsible for housing and dining charges for the period covered by the Exemption Request. An approved Cancellation Request shall terminate this Contract.

D. **REFUNDS/FEES** - The Student's \$150 Pre-payment will be refunded only if the Student submits a complete Exemption Request prior to **May 1** for contracts beginning fall semester and **December 1** for spring semester. For any Exemption Request submitted after **July 31** for contracts beginning fall semester or **January 15** for contracts beginning spring semester, a Student shall be responsible for a late exemption fee of \$300 to offset administrative and other expenses.

VII. CONTRACT TERMINATION BY THE STUDENT AFTER OCCUPANCY

To terminate this Contract after occupancy, the Student must submit a Petition to Move Out. Petitions to move out will be considered until the last day to officially add/drop a full semester course. Petitions to move out will be considered for the following major life/academic changes:

To terminate this Contract after occupancy, the Student must complete a Housing Contract Petition and receive approval from Residence Life prior to checking out. The University will approve the Student's Petition if it meets the criteria that the Petition sets forth. The Student can submit a Petition for the reasons outline on the Housing Contract Petition page at...If the University denies the Student's Petition, and the Student checks out without approval, Residence Life reserves the right to continue to assess housing and dining charges. The Student agrees to obey the University's and Residence Life's guidelines, standards, and regulations, as well as to comply with the terms and conditions of occupancy set forth in the policies outlined in the [Colorado Mesa University Catalog](#), [Maverick Guide](#), and on the [University website](#) at www.coloradomesa.edu/residence-life, all of which are incorporated into and made a part of this Contract by reference. It is the **Student's responsibility** to familiarize him or herself with these regulations and standards. **NOTE:** Violation of any such regulations and standards may result in fines, sanctions, probation, termination of this Contract, suspension or expulsion from the University, or any combination thereof.

XI. PENALTIES

Any and all collection costs incurred by the University in closing the Student's account will be assessed to the Student and will become part of the Student's total financial obligation to the University. If the account is not satisfied within thirty (30) days of the last day the Student occupied the residence hall, the account will be sent to a collection agency.

XII. MENINGITIS

Each new student residing in University housing is required by Colorado state law to notify the University of his/her meningococcal vaccination status. Said students are required to make this notification on the housing application indicating whether or not the Student has received a meningococcal vaccination. The vaccination is **voluntary**; the decision to vaccinate is one the Student, parent(s) or guardian(s) should make in consultation with their family health care provider.

- Meningococcal disease is a serious disease.
- Meningococcal disease is a contagious, but a largely preventable, infection of the spinal cord fluid and the fluid that surrounds the brain.
- Scientific evidence suggests that college students living in dormitory facilities are at a modestly increased risk of contracting meningococcal disease.
- Immunization against meningococcal disease decreases the risk of contracting the disease.
- If the Student chooses not to be vaccinated for Meningitis and an outbreak occurs, the Student will be required to move off campus at their own expense and continue to pay on campus housing and dining fees.

To receive the immunization against meningococcal disease, students should check with their own health care provider, their local health department (for a list of the local public health agencies in Colorado, go to www.cdphe.state.co.us/oll/localist.html), or the Colorado Mesa Student Health Center.
