Understanding of Student Conduct Form

I, _____, understand that due to my enrollment in FLAS 296, FLAS 396, FLAS 496 and/or ESSL 290, during Summer 2024, I will be representing Colorado Mesa University, and I will be held accountable for following the Policies articulated in the Maverick Guide (Code of Conduct) see <http://www.coloradomesa.edu/student-services/conduct.html>. I agree to adhere to the instructions given to me by the faculty in charge of this program.

I understand that the resulting consequences of alcohol use and other drug use can have a significantly negative impact on me and others traveling in my group. I also understand that neither CMU nor my instructor condones any behavior that results from the use/abuse of alcohol and other drugs and/or drug trafficking. Such behavior may lead to disciplinary action up to and including my dismissal from school.

I understand that it is my responsibility to know what the alcohol laws and the legal drinking and purchasing age are in the host country. I understand that I am to obey all the laws of the countries visited.

I understand that if I break any of these laws, I may face severe penalties, including prison sentences. I also understand that neither CMU nor the U.S. Embassy will be able to help extricate me from situations I may find myself in if I break any of these laws.

I understand that I will also face consequences including dismissal from this study abroad program if I attend any class related events under the influence of alcohol or drugs, or fail to attend classes or program related events. These consequences could include being sent back to the United States before the completion of the program, at the discretion of the faculty, and at my own cost.
