

Riverside Educational Center
After School Tutoring and Enrichment

VOLUNTEER!

Riverside Education Center (REC) knows that you care about our community's youth, but may not know how to get involved to show your support. REC provides structured after-school tutoring and enrichment activities for K-12th grade students who qualify academically and/or financially in order to inspire improved academic achievement and foster positive social and emotional development in a safe and supportive environment. To accomplish our mission, REC relies heavily on volunteers and donors who dedicate their time, money and/or talents to ensure the success of our youth. Our volunteers are just like you--they care about the future of our community. Please consider joining our team!
