CMU Student I.D.- 700 #

Class Option from Above (1,2,3)

Colorado Mesa University Tech- EMS Program
Student Wellness Center Building
1060 Orchard Avenue
Grand Junction, CO 81501
EMSProgram@coloradomesa.edu
(970) 248-1597 or (970) 248-1784

Application Checklist

NOTE: Current Colorado Mesa University (CMU) and CMU Tech college students please disregard this checkbox and move to the next one.

1. **New students, Create an Account** and complete the CMU Tech Application for Admission at: <https://go.coloradomesa.edu/apply/>. On the application for admission, you should select either *Emergency Medical Technician- Basic (Technical Certificate)* OR *Emergency Medical Technician- Paramedic (Technical Certificate)* OR Associate's Degree in *Emergency Medical Technician- Paramedic (Associate of Applied Science)* as the Major, depending on what your end goal is
2. Request an *official* copy of high school transcripts, or G.E.D. scores, and request *official* college transcripts from all previous colleges attended and have them sent from that school *directly* to CMU. If the school is sending the transcripts via email, have them sent to admissionsprocessing@coloradomesa.edu
3. If you are a resident of the state of Colorado, apply for the College Opportunity Fund here: <https://www.coloradomesa.edu/cof/index.html>
4. Send proof of 2 MMR Immunizations to the Registrar's office Registrar@coloradomesa.edu

THEN

Complete the EMT Program Application process by sending in your Application.

1. *Fill out the EMT Program Application - including* your student ID number (700#) that will be issued upon acceptance to the school.
2. Complete an *online* background check through the Colorado Bureau of Investigation (or any other source) at www.cbirecordscheck.com (cost is approximately \$6.00 and results should be emailed to you- email this and the application to EMSProgram@coloradomesa.edu)
3. You will receive an email notifying you of your acceptance into the program and instruct you to register.

NOW

Register for Classes:

1. Register for EMTS 121, EMTS 122, EMTS 123, EMTS 124, and EMTS 170 (All 5 classes are required).
2. For help with registration or to address holds, schedule an advising appointment with CMU Tech Student Services: coloradomesa.edu/tech/student-services

BEFORE the start of the class, you *MUST submit the following to EMSProgram@coloradomesa.edu or to the EMS Office in the Student Wellness Center classroom building (*retain a copy for your records):

- Student Attestation of Competence Form
- 5 Panel Drug Screen (approximately \$45 from MCC Drug and Alcohol Screening)
(To be completed *no earlier than* 45 days prior to the start of class)

AFTER the start of classes, your instructor will direct you on obtaining/completing the following *requirements*:

- Liability Waiver
- Personal Professional Liability Insurance (approximately \$43 + tax)
- CPR cert through the American Heart Association, completed in your first week of class (\$10)
- Flu Shot – *during flu season* if attending a clinical between October and April
- Copy of personal health insurance

Before you can go to your clinical shifts, the hospitals will want you to be able to provide proofs of the following immunizations and you will upload them onto their clinical site- My Clinical Exchange (\$35)- which you will sign up for **AFTER CLASS STARTS**. Just start gathering these up.

- Measles, Mumps, and Rubella (MMR)
- Tetanus
- Varicella
- Hepatitis B
- 2 separate TB skin tests completed 1 to 3 weeks apart. (2 step TB)

*All costs are approximate and may vary by retailer and semester

Fall Semester is approximately mid-August to mid-December and Spring Semester is approximately mid-January to Mid-May. Your classes will be completed in only one semester. Please refer to the CMU semester calendar online for exact dates.

After the end of the semester, you will need to register for and take your National Registry EMT cognitive exam (approximately \$105 as of 2023) to become a certified EMT who can practice in the field. Your instructor will review more information on this during your classes.

All students will take the same section of EMTS 121, EMTS 122, EMTS 123, EMTS 124, and EMTS 170. You must pass each course with a C grade or better.

Your classes will be held twice a week and will be held at the same time each week. There are 3 options.

1. Tuesday and Thursday 10:00 am- 2:00 pm OR
2. Monday and Wednesday 6:00 pm-10:00 pm OR
3. Tuesday and Thursday 6:00 pm - 10:00 pm

*Students MUST be 18 years old by the start of the EMTS 170 class that typically starts in late October for the Fall semester and early April for the Spring semester.

ALL classes are held in-person and out in the field during the above stated times with some additional online content required. In-person classes are held at the Student Wellness Center classroom building on the main CMU campus at 1060 Orchard Avenue, Grand Junction, CO, 81501. These classes are NOT offered completely online.

For questions on the program or this secondary application contact:

EMSProgram@coloradomesa.edu or CMU Tech Student Services at (970) 255-2600

Student Attestation of Competence

***To be completed by the student**

Applicant must complete this attestation form as required for admission to a CMU Tech EMS Program. Failure to complete the form will result in forfeiture of placement in the program.

The applicant must affirm, *by initialing and signing*, that they understand a student must be able to perform the listed essential fundamental duties with or without reasonable accommodation to participate in the clinical/lab courses in the EMS Department.

Professional Competencies

- _____ 1. Must demonstrate critical thinking and exercise good judgement in the classroom and clinical environment.
- _____ 2. Demonstrate self-regulation and commitment to professional behavior.
- _____ 3. Must collaborate professionally with all members of the class, healthcare workers, and academic community.

Physical Duties

- _____ 1. Strength: must lift, push, pull; sufficient to move and carry equipment, transfer patients, and perform CPR. Gurneys are 75 lbs.
- _____ 2. Mobility: must ambulate, bend, stoop, reach, and stand for long periods of time; coordination and balance sufficient to assist patients within confined spaces.
- _____ 3. Fine motor skills: perform skilled procedures as directed and manipulate accessory equipment (example: tubes, gurneys, manikins, specialty equipment/devices).
- _____ 4. Speech: must be able to communicate clearly and effectively.
- _____ 5. Vision: must have sufficient vision (with or without correction) to perform required duties.
- _____ 6. Hearing: must have sufficient hearing (with or without hearing devices) to perform required duties.

If you will need a reasonable accommodation to perform any of the above listed fundamental duties, contact the EMS Program Director, Pam Holder, at pholder@coloradomesa.edu.
