If you currently hold a valid Colorado Firefighter I and HazMat Ops certification check this box. ☐

You will need to attach a copy of both certifications to this application.

Please read the entire packet thoroughly for a clear understanding of the application process and expectations.

Associate of Applied Science (AAS) degree

Students wanting to complete the Associate of Applied Science (AAS) degree should have the understanding this is a 2-year program and is separated into 1st year and 2nd year. Students will have the potential to obtain their AAS degree along with Firefighter I, HazMat Operations and EMT certifications. Only students who have been accepted into the Fire Science Program are able to take fire classes.

The following items need to be returned as part of your application. Your application will not be considered complete until all items are sent together.

Associates of Applied Science students:

- Student Information Form
- Background check **https://www.cbirecordscheck.com/**
- Essay: Why do you want to be in the program and why should you be selected?
