Overview of the Colorado Mesa Dance Team

The Colorado Mesa University Dance Team is a performance program dedicated to the art of dance and the promotion of Colorado Mesa University school spirit. Each participant is unique, has different academic interests, comes from different places, and has different dance training. However, we have one aspect in common, our love for dance and our commitment to our university.

The purpose of our program is to serve as leaders of school spirit, promote school pride, create an exciting game experience, and home court advantage while unifying students, alumni, and fans in support of the Colorado Mesa University and athletic teams.

The CMU Dance Team members serve as public ambassadors of CMU Dance, CMU Athletics, and the University at-large. They reflect the goals and values of the University on and off campus all season long and take great pride in their contributions to the Mavericks. Members appear on behalf of the University at athletic games, and events on campus and in the community. The CMU Dance Team operates under the core values of integrity, trust, respect, teamwork, and loyalty.

The CMU Dance Team performs dance styles of jazz, pom, and hip hop to entertain crowds primarily at home football games, home basketball games for both women and men, and select other athletic events. The CMU Dance Team may also travel for athletic events. The team travels to Denver in December to perform at and help run the CHSAA State Dance/Cheer Championships. Select members of the team may also travel during the summer for ProAction Camp.

Purpose and Selection Process

This summary is intended to inform prospective members, their parents and other interested parties of the various policies and expectations of Colorado Mesa University Dance Team Program. In all policy and program matters, members of the CMU Dance Team shall be law-abiding citizens and outstanding representatives of the University. **The CMU Dance Team takes priority in commitments, second to academics. All other commitments will follow including employment and personal/family vacations.**

The team is selected by the CMU Dance Team's Head Coach. Selection is based off experience, personality, behavior, attitude, and execution of effort. Much is taken into consideration when choosing the best fit for the CMU Dance Team. The process is inherently subjective. By participating, applicants understand and accept the subjective nature of the tryouts and **ALL DECISIONS ARE FINAL.**

All CMU undergraduate students must maintain undergraduate status while on the team. Those who are selected and accept their position on the dance team, will be required to maintain a strong form of communication and ethical behavior towards all participants and coaches. Any situations that may occur in regard to tuition, team cost, inappropriate behavior, and differences in personalities is the responsibility of the member and the member only as they're the acting adult of 18 years or older. By law, faculty, coaches, and staff are not to have communication with parents unless it is an emergency. All those selected must comply with this policy in order to make it on the official roster. In case of parents trying to contact faculty or the coach, their requests will be directed to the member and the parent will not receive a response from the faculty and/or coach.

Academic Requirements

Along with the requirement of maintaining full time status as an undergraduate student (12 credit hours or more), all members must perform in academics with a 2.5 or higher GPA each semester. If the member's GPA is below a 2.5, they will be ineligible for the dance team. No scholarships are available at this time.

Team Cost

Members of the CMU Dance Team are responsible for paying for their CMU spirit packs including performance top, practice wear, warmups, team shirts, team travel bags, team shoes, pom-poms, earrings, and meal cost for training camp. The cost of the team fees is \$750.00 for new members. The spirit pack is charged onto the members student accounts where tuition is charged. Members are responsible for their own tan jazz shoes and tights throughout the year.

Uniforms

All performance uniforms for the CMU Dance Team are property of Colorado Mesa University except for the performance top you pay for in your spirit pack. Other performance uniforms including tops, skirts, dresses, flannels, hip hop pants, leggings, etc. are owned and paid for by the University. Members are responsible to treat their performance uniforms with respect and cleanliness. Members are responsible for checking out and checking in their performance uniforms during the scheduled times to do so. Upon the circumstance that a member loses or doesn't return a piece of performance uniform/s, it will result in charges onto their student's accounts.

Dance Team Course Credit

Members of the CMU Dance Team are required to enroll in a 1 credit course each semester. Additional information is provided once the final roster is selected on how to enroll.

Practice and Attendance

Practice schedules will be determined by availability of facilities and class schedules. Practices, games and scheduled appearances are **MANDATORY**. Dance Team member duties are a priority, second only to academics. Good communication and effective time management are required. If a member misses practices or performances, it must be excused with proper documentation. Unexcused absences from practices and excessive missed practices (2 maximum) will result in the member being released from the program or replaced. Any member who misses the final practice prior to a performance will be pulled from the performance and be benched during the event. Upon the event that the member is benched, they will be required to attend and support their team at the event. Any issues with this policy will lead to the member being released or replaced.

Alcohol, Tobacco, and Social Media Policy

Team members are expected to be outstanding, law-abiding citizens. This expectation is foremost when it comes to the use of alcohol and representation of self through social media. The CMU Dance Team is a highly visible group within the community and the behaviors of members are under constant observation in and out of uniform. Dance Team members are often an easy target for criticism regarding their conduct particularly if indulging or over-indulging in alcoholic beverages. With this in mind, the dance team will adhere to the following policies:

- Members of legal drinking age shall not procure alcohol for underage squad members at any time.
- Members may not purchase, possess, or consume alcohol during any part of an away trip regardless of age.
- Members shall not consume alcoholic beverages before or during an event or practice, regardless of age.
- Members shall not draw negative attention to the program or University due to inappropriate drinking behavior regardless of age. This includes observations in public, photos, Facebook posts, tweets and other media.
- Members may not smoke or use other forms of tobacco/vaping/e-cigarettes while in uniform.
- Members should not be depicted using alcohol, drug, tobacco or vaping/e-cigarette in social media in or out of uniform.
- Language, video and images of members on social media and in person should always positively represent Colorado Mesa University.
- If an illness or injury due to drinking prohibits a member from participating in any event including practice, games or appearances, that member will be subject to disciplinary actions.

Travel

Traveling is a privilege and reward, not a right of membership on CMU Dance Team. Many factors are considered when assigning travel opportunities including, but not limited to, contribution to team activities, attitude and commitment, work ethic, academic performance and seniority. The number of travel opportunities available is determined at the discretion of CMU Dance and CMU Athletics in accordance with budget guidelines, University regulations and the NCAA regulations.

Communication

Communication regarding CMU Dance Team matters will be conducted between the student and coaching staff. This includes requests for feedback after the tryout process. Parents/Guardians will be contacted only in the case of an emergency or immediate need. Questions and concerns directed to any member of the coaching staff from parents or other related parties regarding CMU Dance Team matters will be re-directed to the student. Email, text messaging, and the band app are common forms of communication used by the coaching staff. All members are responsible for reading email communications and responding within a reasonable amount of time.

Personal Responsibility

All members must maintain their skills and a healthy physicality throughout the year. If, in the opinion of the coaching staff, a member is unable to perform skills or remain healthy and physically fit (for reasons other than injury) corrective actions will be taken until improvements are made at the satisfaction of the coaching staff. Any CMU Dance Team member may be dismissed from the team for any of the following reasons:

1. Attitude
2. Lack of ability
3. Poor attendance and/or tardiness
4. Personality conflicts
5. Inability to follow rules and procedures
6. Representation of self through social media inconsistent with team values and expectations
7. Insubordination or other behaviors deemed inappropriate by the coaching staff and/or administration
8. Best interest of the team as determined by the coaching staff and/or administration

CMU Dance Team members may also be dismissed for other reasons not listed above, as determined by the coaching staff and/or the administration.

Failure to comply with team rules and expectations or other verbal directions may result in disciplinary action, up to and including suspension and/or dismissal from the dance team, at the discretion of the coach and appropriate administrators. The severity and frequency of the violation(s) will be considered when making final decisions.

Applicants (and their parent if the applicant is under age 18) must read and sign the participant agreement form before they are allowed to participate in any part of tryouts.
