

AGREEMENT FOR TRANSFER OF CREDIT
 Between
 Collbran Job Corps Center
 And
 Mesa State College

This agreement provides for acceptance by the Manufacturing Technology Cluster: Welding Program at Mesa State College/Western Colorado Community College of credit earned through the Welding Program at Collbran Job Corps Center under the conditions set forth and agreed to by the parties herein.

1. It is the responsibility of the instructors in the Welding Program at Collbran Job Corps Center to ensure that the student complete the necessary contact hours for each approved course or group of courses as listed in the chart included with this agreement and to provide written verification of competencies or content standards mastered.
2. The following documents must be provided to Mesa State College in order that credit be awarded in the manner agreement upon in this agreement.
 - a. Certificate of Completion issued by Collbran Job Corps Center.
 - b. Letter of recommendation from Welding Program instructor at Collbran Job Corps Center.
 - c. Training Achievement Records (TAR) signed by Collbran Job Corps Center (listed below).
3. The student must have been awarded a Colorado high school diploma or General Education Development certificate (GED) and be fully admitted into Mesa State College and be enrolled at Mesa State College as a degree-seeking student with a major in the Manufacturing Technology Cluster: Welding Program in order to apply for the credit provided for in this agreement.
4. The student must have mastered the competencies for the Mesa State College Manufacturing Technology Cluster: Welding courses by achieving for each course a score of 2.5 or higher on a scale of 1 through 3 competency measurement. Competency credit will be awarded according to the following chart with a maximum of fifteen (15) credits awarded.
