

**Articulation Agreement Between
Western Colorado Community College - Medical Office Assistant Program
and Technical College of the Rockies – Medical Assistant Program**

Term Agreement: 2022-2025

PURPOSE: The purpose of this agreement is to allow students to achieve academic vocational credit from **Western Colorado Community College (WCCC)** based on successful completion of **Technical College of the Rockies (TCR)** coursework indicated on the attached **ARTICULATION AGREEMENT COURSE EQUIVALENCY** document.

TERMS/CONDITIONS: Students requesting credit shall satisfy the conditions of this articulation agreement at WCCC **within two (2) years** after their termination of student status at TCR. Any request received after that period shall be reviewed under the WCCC credit for prior learning policies and procedures in effect at the time of the request.

PROCESS: Students shall be responsible for initiating the process by making an application according to the conditions of the **Articulation Agreement Application Process** document.

CURRICULUM: Credit will be awarded as stated within the **Articulation Agreement Course Equivalency** document.

REVISIONS: This agreement shall be reviewed at the end of each academic year.

Western Colorado Community College - Medical Office Assistant Program
and Technical College of the Rockies – Medical Assistant Program**

Term Agreement: 2022-2025

ARTICULATION AGREEMENT APPLICATION PROCESS

ELIGIBILITY:

- ! Students must be currently enrolled for credit at Western Colorado Community College or Colorado Mesa University (CMU) at the time of application for credit.
- ! Students must meet the academic residency requirement of a **minimum of 16 credit hours**.
- ! Students must apply **within two (2) years** after their termination of student status with Technical College of the Rockies.
- ! Students must have successfully completed the requirements for the above-named program.

STUDENT APPLICATION PROCESS:

- STEP 1:** Students must enroll at Western Colorado Community College or Colorado Mesa University (CMU) and complete 16 credit hours. Student may need to contact Student Services upon enrollment to ensure college coursework does not duplicate articulated credit.
- STEP 2:** Students should obtain a copy of the Articulation Agreement Course Equivalency document from CTE Teacher.
- STEP 3:** Students should obtain official transcripts from TCR showing graduation from the medical assistant program.
- STEP 4:** Upon completion of the 16 college credit hours at WCCC or CMU, student must contact WCCC Director of Instruction, Dr. Christi Hein at chein@coloradomesa.edu and submit documentation identified in steps 2 and 3.
- STEP 5:** The Director of Instruction will review the documents submitted to determine whether they meet the terms and conditions of the WCCC/TCR articulation agreement. The credit hours will be entered on the student's CMU transcript by the Registrar. Students will be billed after credits are accepted under the Learning Assessment process (\$75 fee – subject to change)
