Hello everyone,

I hope that this paragraph finds you all safe, happy and well. I would like to thank you all for making my time here in TRIO so special over the last two and a half years. Life this year has been like no other for me and has continued to present new challenges and possibilities with each passing day. After much consideration, I have decided to resign from TRIO this November 20th to pursue other passions. I am honored to have had an opportunity to learn so much from you all and I wish you all the very best in your futures. Please remember to hold tight to your dreams, celebrate your successes and take joy in those special moments. Thank you for adding so much value to my life, I am grateful.

Farewell, Kari
