MARCH & APRIL 2022, VOLUME 7 ISSUE 4

The United States Department of Education funds Colorado Mesa University’s (CMU) TRIO SSS Regular 99% at $1,309,440. Non-federal funding from CMU, at 1% at $3,300.
We hope this start of the 2022 semester has been smooth and successful for everyone! It’s hard to believe that Spring Break is right around the corner. Does anyone have any fun Spring Break trips planned out? We would love to hear what you’re up to!

While the semester seems to keep flying by, please remember that TRIO is here to support you, no matter what that looks like. Please reach out to a member of the TRIO staff if you need a tutor, help with class registration for Fall 2022, and or just need a listening ear—we are here for YOU!

In the time being (and most importantly), go out and do something you love! Whether that’s painting, reading, yoga, hiking, or spending time in nature—TRIO Staff wants to see you happy and healthy all around.
Upcoming Events and Workshops for March and April 2022

Baylor University McNair Visit & NASA Space Station visit for TRIO STEM Students

TRIO STEM students will be traveling to learn about graduate school opportunities at Baylor University in Waco, Texas, and what resources similar to TRIO are available at the graduate level. Students will then be visiting NASA Space Center for educational, networking opportunities.

University of Washington McNair Conference Student Leadership and Advocacy Symposium

Students will be traveling to Seattle, Washington to attend the McNair Conference, to learn about graduate school research, as well as how to prepare first generation and minority students for professional success.

Horse Empower Ranch—Durango, Colorado

TRIO students will be traveling to Durango, Colorado to cultivate leadership skills, community building, and professional development through equine therapy.
