

Steve Wolff, Interstate Streams Division, Wyoming State Engineer's Office

Steve Wolff is the Administrator of the Interstate Streams Division in the Wyoming State Engineer's Office. The Division is responsible for overseeing Wyoming's rights and responsibilities relative to the seven interstate water compacts and three interstate water decrees the State is party to. Prior to assuming the role of administrator, Steve oversaw the Colorado River Program in the Division. Steve also currently serves as Wyoming's representative on a number of western water councils and interstate water management committees
