

Amy McCoy

Martin & McCoy LLC

Amy McCoy is a founding partner of Martin & McCoy LLC, where she addresses vexing water challenges through the lens of science, data analysis, and policy. She also serves as an Adjunct Research Scientist with the University of Arizona Southwest Center and participates in ecological and water security research collaborations. She has previously worked as partner at AMP Insights, as an ecologist with the Sonoran Institute, and was a Captain and athlete in the US Air Force.
