Reach Your Peak is a partnership between colleges in northwestern Colorado with the goal of creating excitement about learning that motivates students toward a bright future and further education. Partners include Colorado Mesa University, Colorado Mountain College, Colorado Northwestern Community College, and Western Colorado Community College. The program is also supported by the Northwest Council of El Pomar Foundation.

Financial Aid for Camps and Future College Study
Scholarships and financial assistance is available allowing students to experience new career paths and follow their passions. Please call 970.255.2800 to discuss options available. Students who complete one or more summer camps and one or more concurrent course are eligible for a $2,000 scholarship each year for their first two years of college at CMU, WCCC, CMC, and CNCC.
